

# 5-MINUTE, \$5 SOLUTIONS FOR HARRIED MANAGERS AND HR PROS

Introducing Lifescript Singles.

A Lifescript Single is a 1-page flow chart that focuses on a specific and challenging workplace conversation.

Wondering what to say when an employee approaches you with an uncomfortable question? Lifescripts are for you. Each Lifescript offers graphic talking points for difficult dialogs. Purchase a Lifescript and in five minutes your problem will be solved.

Savvy supervisors know they need the right words to manage, motivate, reward, and discipline direct reports and communicate with peers. Preparing for a potentially uncomfortable conversation no longer needs to be daunting. Why? Because now you can download Lifescripts for Today's Workplace.

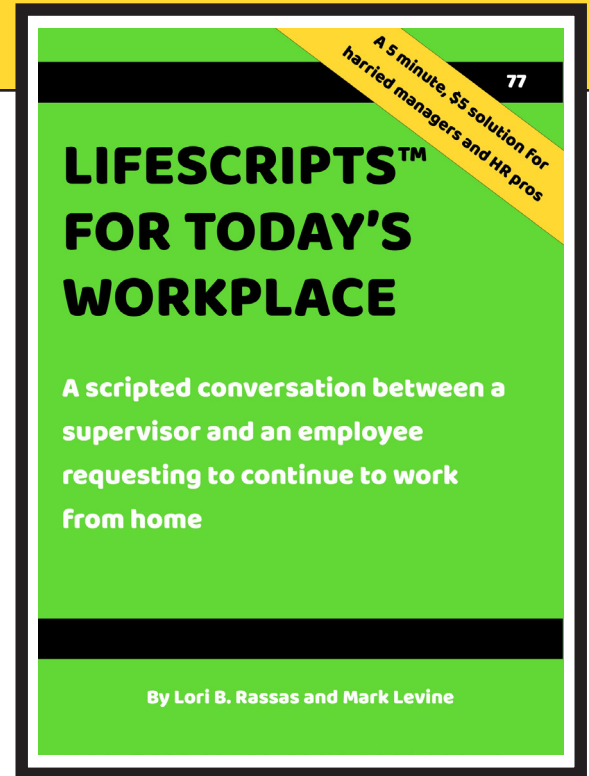

In each Lifescript, readers are provided with

- an overview of the issue
- a high-level strategic approach to the discussion and
- key takeaways.

This background is followed by the 1-page Lifescript, laid out in flowchart form, showing how to initiate the conversation and answer the other person's possible reactions.

Lifescript singles will cover a wide range of workplace matters including

- Requesting better online meeting manners
- Insisting on more respect for diversity efforts
- Confronting biased behavior
- Responding to a biased promotion or rejection
- Responding to notice that a complaint has been filed against you
